Title and introduction

H1: {Insert Main Heading}

Outline phase: Add talking points that focus on how you're going to introduce the topic, how you've categorised your linkreators and any specific framing around research conducted to pick and feature your linkreators.

Also consider how you will write a short relevant call to action that links this topic to the client's funnel.

- 1
- 2
- 3

Writing phase: Write a straightforward introduction that:

- Introduces the topic.
- Introduces how you've categorised your linkreators.
- Covers any specific framing around the research conducted when featuring your linkreators (price, location, type, etc).
 - Add a call to action
